2023 HIGHLIGHTS
EVENTS, CAMPAIGNS, POLICIES & PROJECTS

Dear Reader,

Welcome to the latest edition of the ALL DIGITAL Newsletter! In this issue, we're excited to share the **highlights and achievements of 2023**, where much was done to close the digital skills gap and enhance digital skills for everyone. We witnessed the success of the ALL DIGITAL Weeks campaign, which engaged over 90,000 participants, as well as the enlightening ALL DIGITAL Summit in Zagreb. There was significant growth in membership, welcoming 25 new members, and noteworthy progress in the ALL DIGITAL Academy, expanding its coverage with additional training and courses for educators. Furthermore, our policy endeavors reached a culmination with the recent release of the Digital Well-Being paper.

We thank you for being a valuable part of our community enabling us to navigate the streams of the digital transformation landscape. Your collaboration is vital for shaping a brighter and more inclusive future for all.

We wish you a joyful winter break and a prosperous New Year!

Yours

ALL DIGITAL Team

The 16th ALL DIGITAL Summit: the go-to event for digital education stakeholders! Consult the report from Zagreb 25-27 September 2023!

ALL DIGITAL Summit
The **ALL DIGITAL Summit 2023** "Skills for Digital Tomorrow" marked a milestone in our journey, bringing together trainers, policymakers, innovators, and industry leaders to share their expertise and shape the future of digital inclusion. Relive the Summit through a comprehensive **final report** and recap **videos** capturing the essence of the event.

We are already preparing for the 2024 Summit which will take place in Madrid in October 2024! Stay tuned!

We reached 90.000 participants in the ADWeeks 2023! Read the final report

Find out what discussions and thought-provoking sessions occurred during the **ADWeeks 2023** campaign. Read the **final report** encapsulating the key takeaways featuring the views of policymakers, stakeholders, industry partners, and members involved in the events.

Have you missed the keynotes and panel discussions? You can gain valuable perspectives from the recordings available on our **Youtube playlist!**

The ADWeeks campaign running again...from 13-31 May 2024!

Be part of the **ALL DIGITAL WEEKS 2024** raising awareness campaign from 13 to 31 May 2024!

Our annual raising awareness campaign celebrates digital empowerment under the motto "Enhance your digital skills". Elevate your skills, embrace cutting-edge technologies, learn new methodologies, and be part of a community shaping the future. Find out more information on the campaign and the opportunities for members and partners on its **website**

We shaped policies! Check the brand new Policy Paper on Digital Well-being

In an era dominated by digital connectivity, the importance of **digital well-being** cannot be overstated. Our team together with some experts from the ALL DIGITAL network have crafted a **policy paper** delving into the nuances of digital well-being, offering insights, recommendations, and actionable strategies to foster a healthier digital ecosystem for all. Explore the intersection of technology and digital well-being in this document.

We delivered more training thanks to the ALL DIGITAL Academy development

The ALL DIGITAL Academy (**ADA**) continues to include courses and training that reduce the digital divide and empower teachers and trainers. Stay updated on the latest ADA advancements, including projects, partnerships, and impactful activities on its website! Check it out **here**.

We grew bigger thanks to the new ALL DIGITAL Members

We are amazed by the increase in our membership throughout 2023! Over the year, we have embraced **25 new organisations** into our network, spanning across different countries and sectors! We eagerly anticipate the opportunities for collaboration with all of you! Thank you all for joining the network! Check all our members **here**

We continued enhancing digital skills through EU Projects

Innovation is at the heart of ALL DIGITAL, and we are thrilled to share the lineup of exciting projects that push the boundaries of digital skills. From education to accessibility, these projects reflect our commitment to creating positive change through learning and acquiring new competencies to tackle digital transformation. Explore the cutting-edge initiatives that are shaping the digital future **on this link**.
