Dear Reader,

Welcome to the latest edition of the ALL DIGITAL newsletter. In this issue, we seek to capture the highlights and achievements of 2023, where much was done to close the digital skills gap and enhance digital well-being in Europe. We are amazed by the increase in our membership throughout 2023, with 25 new organisations joining our network! Check our website for a comprehensive list of all organisations that are shaping the digital future.

We wish you a joyful winter break and a prosperous New Year!
