Dear Member,

We are glad to welcome you as our member into the ALL DIGITAL network!

With every new member organization, we are capable of increasing our impact, effectiveness and profile of all European digital competence centres, public libraries, NGOs and their associations, municipal centres, government centres and their agencies working to empower people through digital skills.

Today more than ever, collaboration is recognized as the most effective way to achieve excellence. Based on this approach, the main objective of ALL DIGITAL since the beginning has been to create a community where our members do not feel alone in their mission to spread the benefits of the digital society to all citizens.

We aim to drive knowledge sharing, provide support and encourage cross-border collaboration among the members.

For this reason, we have developed a welcome guide that should serve you as a useful source of information about the membership conditions, all opportunities to participate in the governance of the organization, a list of tools available and online channels to connect with us and stay in touch with the latest information via social media.

We hope that you will find this guide useful at any point of your membership. If you want to reach out for support, the last section including ALL DIGITAL team members will help you decide who to contact best. We welcome your feedback at any time!

Warm welcome from

Mara Jakobsone, Chair of the Board, ALL DIGITAL

Laurentiu Bunescu, Chief Executive Officer, ALL DIGITAL

Peter Palvolgyi, Chief Operating Officer, ALL DIGITAL
General Assembly

General Assembly (GA) is composed of ALL DIGITAL member organisations represented by one chosen delegate and is held once a year. It is dedicated exclusively to our members where each delegate has a voting right on discussed activities, proposals and overall development of ALL DIGITAL.

ALL DIGITAL member organizations fall into two categories: members and associate members.

Each member, except for associate members, has one vote on each resolution or any other decision-making process in the GA. Associate members have an advisory voice only.

You will be informed about the upcoming GA and its agenda by receiving a personal invitation. For more details, please refer to the Statutes.

The Board

ALL DIGITAL is managed by the Board of nine members selected among the members in the GA. Each member has the right to nominate a candidate for the Board in elections.

The Board is elected for the period of two years. It has one face-to-face and a few online meetings during the year. If you would like to know the present Board members, please check our website.
Get Involved

ALL DIGITAL Week
Previously known as Get Online Week, it’s an annual digital empowerment campaign that engages people to use digital skills with confidence. Supported by corporations, NGOs & public authorities, the campaign is organized each year in March by ALL DIGITAL since its launch in 2010. Be part of it this year! alldigitalweek.eu

ALL DIGITAL Summit
This annual event targets a wider community and ALL DIGITAL stakeholders. Each year in a different location and with a special theme, our summit is a great networking opportunity for those interested in digital inclusion and skills, digital competence centres and more: summit.all-digital.org

Funding Alert
This internal service tailored for our member organisations is the starting point in the maze of EU funding opportunities. A summary of open calls for proposals along with the most relevant information is shared with you regularly. You will receive the Funding alert in the Members group on Basecamp and will be notified by e-mail.

Skillage
Skillage is an online assessment tool developed with the support from Microsoft to help young people aged 16–24 to understand and evaluate their ICT skills and readiness for the employment. It’s a perfect tool to help you promote ICT careers during any local events. www.skillage.eu

Projects and Events
ALL DIGITAL is involved in a few European projects both as a leading organization and a project partner. To stay informed about the latest projects, please check regularly our project section on the website.

National Coalitions for Digital Skills and Jobs
ALL DIGITAL supports the development of Local and National Coalitions to respond to the European policy needs to create more ICT jobs and raise awareness for youth on digital skills. Learn more
Membership

Membership Terms and Conditions
You can find all membership benefits and responsibilities in Membership terms & conditions document. We require our members to mention that you are part of ALL DIGITAL network by adding the official ALL DIGITAL logo on your website.

Visual identity manual
We encourage you to use ALL DIGITAL logos and banners on your website and other material to promote our community. Please familiarize yourself with the guidelines on how to use ALL DIGITAL logos, banners, colours and fonts. All you need to know is in the branding guidelines.

Member Login / Database
This area allows you to follow strategic decisions (File repository) and keep your contact information up to date (membership database). You can find contact info of other members to get in touch with them. Access it on our website: all-digital.org/login-area (request login if not provided).

The network
If you would like to learn about ALL DIGITAL network, please check our dedicated member section on the website with an interactive map including all our current member organisations.
Connect with us

Check official websites
All the most important information will be published on the main ALL DIGITAL website: www.all-digital.org. In addition, you can check the ALL DIGITAL Week website to keep track of the annual campaign: alldigitalweek.eu

Subscribe to our newsletter
On a regular basis we keep our members and other stakeholders informed by sending them our newsletter. If you wish to receive it, please sign up at www.all-digital.org - just enter your email in the footer section.

Get the latest info and interact with others on Basecamp
We use Basecamp to manage projects online and discuss them with our members. Separate project groups are open for those involved and one general group for all our members. Make sure you've received a request from us to join Basecamp! If not yet, email us and we'll add you.

Join our Unite-IT – the e-Inclusion network
Unite-IT online platform is open to anyone who is keen on ICT and digital inclusion. You can follow the latest news and practices in other countries and share your own, benefit from webinars, get invited to events, or participate in one of the six working groups. http://unite-it.eu

Follow us on social media
Let’s stay connected on social media, too! You can find ALL DIGITAL on Facebook, Twitter, LinkedIn, YouTube, Slideshare, and even Pinterest.

Join our stakeholder platform
Are you working on youth employability? Know how to boost entrepreneurship in Europe? Then have a say and join our I-LINC platform online that is a meeting point for stakeholders and professionals alike: www.i-linc.eu
