ENHANCING DIGITAL SKILLS ACROSS EUROPE

ALL DIGITAL

BARBARA QUARTA

Chief Programmes Officer at ALL DIGITAL; Barbara has 15 years of professional experience working for non-profit organisations and universities, coordinating and managing international EU-funded projects and preparing funding applications. She has extensive experience in designing and writing successful proposals for different EU Funding Programmes and building transnational partnerships in various fields, such as digital education, social inclusion, active citizenship, etc. She has a Master's degree in Sociology and a University Master's Diploma in "Development Cooperation and EU Project Planning & Management", both from La Sapienza University of Rome.

PETER PALVOLGYI

Chief Operating Officer at ALL DIGITAL; Peter has managed and coordinated more than 10 EU-funded projects of AD where the organisation acts either as lead organization or co-beneficiary.

He has long-standing experience in project management of EU-funded projects and other donors' programmes, as well as in financial and administrative issues of NGOs and networks. His academic background includes an MBA and a diploma in public administration.

ALTHEO VALENTINI

LAURA CREMONTE

IRENE MORICI

M.A. in "Publishing, media and journalism", with a thesis on "The dissemination plan of European projects", Altheo has worked for more than 10 years as consultant in European projects, with a particular focus on social and digital innovation. He is the General manager of EGInA, the European Grants International Academy Srl, and it takes part in various EU and national associations: All Digital, Europeana, EAQOM (European Association of Quality Organizations in Mobility), EPALE, DiCultHer (Digital Cultural Heritage School) and Stati Generali dell'Innovazione.

Project Designer, Researcher and Trainer, holds a PhD in Social Anthropology and different training course certifications in European Funds.
She is specialized in social research and project designing, particularly in the fields of social inclusion and intercultural communication. Laura has been working in the field of European Grants, monitoring funding opportunities, writing proposals to different local, national and EU funding programmes, building transnational partnerships and networking, mainly for NGOs, cultural associations.

Senior Project Manager with extensive expertise in the planning, implementation and management of EU-funded projects (Erasmus+ KA2, Europe for Citizens), with a special focus on entrepreneurship educat ion and digital innovation. At EGInA Irene coordinates, implements and monitors mobility projects (outgoing and incoming), specifically the processes associated with students and staff mobility under Erasmus+ KA1, working alongside national and international stakeholders to manage resources, priorities and reporting.
