PEOPLE SUPPORTED EVERY YEAR

We are a leading pan-European association based in Brussels, representing **70 member organisations** that work with 20,000 digital competence centres, providing training and advice to 1.5 million people in Europe every year.

We focus on all people  
who need to develop  
their digital skills.

Everyone should be able  
to benefit from digital  
transformation.

**Basic digital skills**

**Advanced digital skills**

**Digital media literacy**

**STE(A)M skills for society**

“

We need to go beyond digitalization into a real digital transformation of our economy and society. And it requires all Europeans to have the digital skills required to be active members of the society.

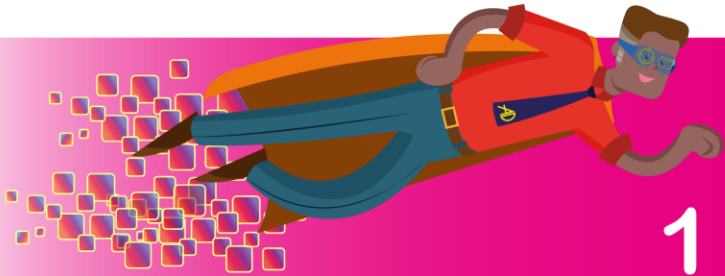

”
